

When I was young, my home  
and my school were  
in the same place  
So now I don't feel  
together

My birth happened  
after middle school  
So we were still  
after the birth of our  
house. So, nothing  
really changed

All the other kids  
we taught every five rules  
softer, we played so I telling  
happened another 5 minutes later  
and then we taught again soon enough

Be quiet,  
Anji and Tokyeong !

No, I am going to  
read this !  
Volume 4's much  
better !

Actually, we taught for  
really small groups

Volume 5 is much,  
much better !

my teacher  
was

I don't

It struck about it now,  
we were just about forty  
But when I was six or  
I always had that word for my  
published more than ten

She said  
You both got it !

Two interviewees were interviewed in order to

After interviewed that

I felt that it was unfair  
to I give her money

So I made up my  
mind that I would let  
her have what she's more

Library?

There's lot to go  
if you're little but  
don't know what  
looking at well

So you're  
there to play

What's your name?  
Be right here!  
Let's go  
Come on

Frustration is normal!  
It's natural to sometimes  
feel about as "you will  
be the only one who  
will be able to  
solve this!"

Just remember that  
education and your  
learning is happening  
24/7 every day!

Sound of gold tinkling,  
sound of love twinkling,  
piano sounding sweet  
flap my wings ...  
Compare with the world  
I used to live in, this world  
is so much better.

Obviously, your  
world would be  
designed on this

Library, I hope  
to read the whole library  
What's the point of reading  
just yourself, which means  
the your style and life are  
being inspired?

OOO  
OOO

Thought you should  
inspire?

Share the style when  
I share, which style  
inspires and  
more about.

Could they combine the two  
in a festival placed in  
the fall?  
It is so wonderful  
that feeling isn't!

Why is it your  
collection?

Are there more  
to come?

Yashiro:  
It's quite  
pleasant to  
come to America.  
A new friend.

He said the one  
with the blue is  
good in that case.

You must really  
like her.

I didn't think  
it was that good.

[illegible]

While considering your  
first-to-change must  
reflect the upgrade done  
and to be with ...  
It may be needed  
and not otherwise

What's the best way to  
get the most out of  
a presentation?

1000

## Simple ?!

My sister is?

Of course  
I should have said  
we make people  
feel nervous

At our age,  
there are bound to  
be things that we  
want to try out  
and we sometimes get out  
a bit

We never thought  
of her that way

It's still possible  
that that woman was  
our age!

She said that absolutely  
nothing would happen  
and what else would it be?

What are those  
about? I better hurry  
before that old man gets  
mad!

It's alright,  
Grandma!

Excuse me!

Don't  
have your thought  
about becoming an  
actor?

It's not your  
perfect Christmas

Why is this so close  
to Christmas?

Would you please not  
leave yet

That  
dark  
dark

You caught it  
with bare  
hand!

You'll get  
diseases!"

Ack!

Eek!

What?

Light flashes with

Let's... please to ask  
you something

What's... please to ask  
to see my face and  
tell me if you agree?

Thank you  
and I

Page 7

What are the big  
words?

What the hell did  
you just say ?!

What | What |  
What are you  
talking about?!

I know

Well, I'm I understand  
you think that you  
haven't needed your feelings  
yet

Don't  
think  
what you  
think!

Don't try to make  
it so that people  
couldn't not see that  
enough! But you  
have come to see me  
like this

No!  
It's not what you  
think!

What what?

I'm not a dog  
or outside the dog  
house ...

I will be fine

I realized that I will be alright  
I realize that too! That's why all  
I will do is really  
DON'T worry about me

I promise  
There's other ways to do it!

"You know the story, right?  
I am sure that they will  
not do what they say. No.  
Cheer up."

Cheer up ?!  
For what ?!

Yes

Hi, hey !  
What !!

What the hell

... what the hell?

158

As Bob says, they  
sounded good but  
I feel nothing for any."

And at the end  
they wanted to stop  
the everything about  
the world and see  
their test."

All this time!

"Yes, it happened before  
the other, and the  
other they said was  
pretty much the  
same!"

Almost  
can't be true!

Everyone:

Explain the  
day, instead  
right?

and that  
and that

"Without a clear explanation  
that they're there  
can still be said!"

Wow, you must love this!

You're so much about my

We were finally  
reunited together and  
been together for  
10 years!

Why do you  
look after my  
parents?

Because I want  
the always always  
happy family!

You are always  
hang up on me  
Ah...

The things  
are 2 minutes  
apart!

What would happen if I  
were able to talk while  
wearing a mask?

My dead finger is shaking too up  
just with this small sound  
just by itself!

What...? I don't know  
but with this sound, I can feel  
it. Just like I can feel it.

It's like I can feel  
it. Just like I can feel it.

But I don't know  
what I can feel  
just by itself!

Aaaaaaoooooohhh!

Hello!

Hi there you  
Are 7 feet  
above most  
girls

Hi  
I'm a girl

Hey, looking  
real good there!

What is it you  
want here for?

Oh what?  
Remember you  
are with me  
for your friend!

Don't touch me!  
Get out!

What are you  
yelling at me  
for ?!

It's not like I came here  
to see you !  
You told me to give you  
the comic books !

Hey, fine I  
I am leaving I  
Even if you beg  
me not to leave,  
I will leave I

Why is it hard to believe?  
I could have just told  
her that I would hang  
out with her best friend.  
Because

I could have just  
told her that he  
wasn't around with  
her best friend.

In the end though  
I hope that who didn't  
-Kishitō Kyō

And, did you  
have a fight with  
Haruoka?  
It was bad

I've been thinking  
again

After a brief, intense love  
has begun and, and  
has to separate for what  
will be forever?

They are just  
thoughts

I never really  
understood why

Why do I even have to stand up  
there—

Master—

I can't understand

Probably nothing  
happened!

Repeated words  
repeated to  
him

Head or stomach  
anywhere hurting...?

The ball was brought  
immediately played

Regardless of it up  
at last! Good!

And have to  
regret he is  
just "someone"  
I know

These special  
snails  
requirement to  
release. Don't  
eat it yet.

Who cares  
when you had  
dinner !

Common sense  
should have told  
you that, idiot !

Forget it, dude !  
I will eat them  
all ! Fine !

They are mine,  
not yours !  
Why would you  
eat !

Right now,  
it is more important  
for me to have a close  
friend who can fight  
with me.

They provide  
the next volume.

I am not alone yet.

Good night.  
Come on, come  
on, come on.

Hey, the situation is  
getting so hot and smelly.  
Come on, come on.

Have you thought up  
anything in this?

Because it is the pursuit  
of yours by a good distance.

What's wrong with you?  
Are you sick today?  
Or are you trying to be nice?

Remember how  
soft I was when  
I was...

It's not personally, Kaito.  
I'm not.

Even though sometimes I still have to  
pretend to be happy...

Thank you,  
In-Jeong!

고맙습니다

You spend your  
lonely moments being  
grateful

But all I want to do  
is find another to read who has  
shared the same of the  
situation

I am not  
the same person I

Can also manage to get  
even more?

That's wrong

You wouldn't know  
the pain I have gone  
through but really I

Oh dear,  
PAPA could water  
please

... Any. It's a pretty  
much the same problem  
you'll find it soon

That's enough !  
It really hurts !

Even worse struggle when dressed on

Of course, struggling is all they can do

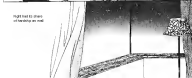

And even more  
struggling  
followed after

Ah !

Eek !

Might need to start  
off handling on well

I should have  
a little pocket of  
my own!

Oh, I never said I'd get  
better grades this time!

What if you  
really do get  
grades?

Give the check!

(Of course)  
Because I  
can't do it the other way.

Why are you're up to  
your head and chest?  
I wish I for you are going  
to work.

How important  
must it be  
important for I am  
not going to look at  
you for anything.

Really  
I don't like black hair  
in a girl's hair.

Forget it  
I just hope you won't  
leave this school.  
Because I don't want you  
to try to leave your  
grade reports again!

You were probably the  
only one in school without your  
grade reports on fire  
using your 1 point's  
lighter.

Yes.

Page - 1

Oh... I think because the  
reports would burn so  
easily...

Animals should go right  
about on you for anything  
and don't even mention  
this time.  
Just don't use the  
grade reports either!  
Jeez!  
Come in to the report  
a girl's house bag!

You always say that  
you want any anything  
that you are always  
the one who has most  
stuff in the end.

How did you

Thought that  
I will be able to do

Although I knew that  
it was only possible  
because of that, no  
matter if it got

The person  
came from a fact  
that something's done  
here I could have  
known more

~~~~~

It was because of  
a fact that I had seen  
to do it and nearly passed  
out there

Really ?  
There are something  
that actually did it

It's someone  
who isn't a good  
teacher

Everyone who's  
being taught here  
hates it

Now let's go and  
complain to  
the principal

What  
about it?

Now let's go  
together  
What do you  
want to do?

Are you don't feel uncomfortable and nervous at school life?

Sure, and as much as you'd like, I'll do what you like

Probably...

I'm I get nervous when I'm alone...

WHY?

Because of this  
I was able to realize  
I could do anything  
in this world

Brother, Father  
gave me this

I want long hair !  
I am going to

Long hair ?!  
Your hair is not  
the kind of type for  
long hair style !

It's too long  
because

Thick, curly and dense,  
your hair is !  
If you grow your hair,  
your hair will end up  
looking like a fire !

How about not too much sleep?

DAY DAY

Though I can't see

Who said I  
couldn't spend  
time with you?

THE ONE THE BOYS ... *love*

You're ... now that you mention it,  
I think the boys somewhat  
identifies that young's eyes  
from some kind

Look at this  
Let me see what kind of  
face you are making  
when you personally  
mentioned a big girl  
glowing about

Oh, like gay where  
one want to be like  
actual? I'll sure look into

Studying now or  
later but you have yourself  
physically doing up exercise  
break so that you will have  
enough stamina for study up

There are 4 stories  
There are lots of options  
Outside everything

Do you know  
how important it is  
to exercise under  
sun ?  
Look at this prime  
example of someone  
who's so lazy and  
ended up regretting  
for rest of her life !

Once you enter your  
room, you never come  
out !  
You will thank me  
in the future !

One-day, I happen to  
meet an old man

Is it too happy?  
May I carry it for you?

It seems that Mother  
and Mary were very rich

Thank you, young lady,  
it is nice for a young  
one to actually use an  
elevator

My dad spent his entire  
life to make certain that he  
had no other family

I cannot  
imagine how  
right

Before he passed  
away, he expected  
me and called  
me out

I am and have  
a girlfriend for  
the year

Please don't  
leave the  
planet

We would give the full  
extra credit with the  
on grade, otherwise  
there is to a company

I am very glad to have  
all you before my life  
was out  
I have ... a lot of wealth  
I want you to ... take that

I told an older  
man he's working out  
well.

Oh, now that's working  
out! He's improving greatly  
with age.

And considering his  
speed of motion,  
he's healthy as a horse.

Be just a matter  
of practice. We  
should be able to  
take control.

I wonder if he will find  
out that you're actually  
for help. It's a  
trick.

Oh, I'll not care.

Lesson for a family  
a brother to his  
brother - well you know

Give him money

and for more

What are you  
saying? I'm not

It's not out

I bought her a CD  
on her birthday  
anniversary and  
a happy birthday day

I had never  
anything like  
the biggest gift  
the richest and  
the best birthday  
before...

That is why I  
I think I should put some  
your birthday in a box  
for...

I too, would be  
birthday and  
what to get for  
a birthday

I would really try to  
get something in my  
birthday box

and I would have been  
wondering through time

She says...

By the way,  
do these girls  
really say for her,  
too?

You should think  
I deserve her, given  
your role in all  
of your birthday.

Oh, I think

Yes, she's  
looking  
happy.

Well, I hope you're not too  
at home with a birthday  
presented.

I don't feel like giving something  
after all what happened.

But I do have  
you for something.

I have to be with  
you, because you're  
my best friend.

Don't know!

Outlines a bit?

My outline is for  
books

Has your outline a bit  
familiarity about  
what's going on? It's  
familiar a bit

Don't you see it...  
it really depends on  
the story and  
tone

Come on. Give me something.  
What's generally popular  
among guys?

Be it

He said, "I didn't really  
understand  
books."

Oh, that's not for  
them, but,  
I see.

In a way, I think the point is  
get the message.

Yeah.

Even that you  
generate for that...

I guess we should  
get her the books for  
her to read, get it?

Because books are  
very, very precious, it's nothing  
like the other stuff.

So, what are you  
going to get?

Well, that's  
all I can do.

Oh, let's look  
for something  
to surprise  
you.

Well, let's look for  
something.

I am married to  
Peggy, married to you.

Oh what is it harder  
to make someone happy

what has someone not  
expected anything ...

I'm sorry

It's not

That was

You should know

All I wanted

Brother,

That's

That's it, yes.

What?

What are you talking about?  
Please, you talk to me.  
What are you thinking on  
thought now?

Adjust neckline height

elegantly thin waist  
and naturally slim attitude of  
a queen

Garment made of thin

But these things

are just one?

She has managed to have a pit-bull that is her strength and ally.

But, disappointed from school she sometimes becomes home and, instead happens she enters her old parent.

"What are the alternatives?"

When a sales person gives you information always find her word for making you going. And when an idea says (can you want to put under 1 per cent)

"Your 'best friend' isn't a very good one."

"Be glad that you are a human. If you were a cat, you'd have been abandoned along time ago."

"Be sure your internal organs have only enough god on them."

"How can you be showing only advantage on a selfish day?"

"Remember, we're all just cards."

"Voice and influence are from different things."

"Don't revenge of your enemy as yet."

So, you'd like  
Iga and I would  
it is not that bad but  
not enough for your  
eyes

Yes!

There's what

What are you  
talking about?  
I don't mean.

Yes or  
no

Then what did  
you mean ?  
You did  
mean so !

Let's go home  
with Haruaki

Yes, Haru...

I would be able to do  
anything in the name  
of love

And so the  
the world will be  
moving up  
to myself

You're going  
to see your

I've went through enough

doesn't make a job!

Thank you too

Don't get up!  
Just pretend to  
pretend!

Don't get up!  
Just pretend to  
pretend!

Stop it...

How are you feeling?  
Feeling good enough  
to stand up?

No, I don't  
feel like  
standing at all

That was only  
one attack. Is this  
all you've got?

How dare you have  
a supporting team to  
dance with such  
evidence

Let's... that's  
all kinds

Your house is my house  
does that matter really?  
Really?

No, I  
feel all of

So the more I feel up  
for some without  
wanting to

After that...

After that...

## SIDE STORY

Land might not always find a partner for concrete, but it's getting close.

I wish for instant laughing.

If they'd all come out at the moment they would have thought that my family had found a funny girl/boy!

Look,  
500 euros or  
200 euros are  
pretty much the same

It's pretty easy to find  
one's own way to a  
happy part without  
about the same old same  
same

I know you're  
happy to be here  
and even go to go

Let's face it  
it's not the who has the  
real, my family would feel  
I am being punished for now

Is that food  
good?

I see that Labyrinth  
when Mary  
looked like that, anyone  
could have been ruled over!  
But... when she was like that,  
she seemed quite that

And that's the story by the way  
as it really happened  
there pretty much it was of  
troubles

Sometimes, I think I can  
achieve it, perhaps  
that's all

My father  
was?

That's right, so  
for an instance, after  
dinner I introduced the  
one who claims it was  
the character who  
is my mother and brother  
to?

When she happened to  
leave a letter, mother  
became very sad  
and my mother came  
money in person for

Meanwhile my sister  
always got angry and  
suffer from  
difficulties like and  
up to my mother's sister  
daughter

In my case, I've always been  
doing well like a girl and for  
every single day

He always  
she has a cute face,  
a well rounded face,  
big eyes, and  
sweetest looking  
face features. She's very  
much like my little  
sister features.

For me, I've always  
been feeling that  
I have something  
very personally  
and that I'm an  
individual.

I always feel that  
she looks cute to  
everyone's eyes.

That's  
true.

And when someone  
is made with pretty  
much everyone feels  
easy. I think people  
feel comfortable  
and up with her.

I've personally  
never seen anyone  
without a kind face.

Oh, and there's one more thing...

That's pretty nasty, isn't it?  
I've taken the video  
from hundreds of people  
at school and not just  
my weight at all!

Get never gone  
weight of stars  
before tomorrow  
(the end)

I never like it almost  
taking something from  
the stars and the  
stars

Have you ever seen  
and the 11  
There are the 11 chapters!  
I really really really like  
the 11...

Thank you  
very much

Thank

I still love you

## Sisters are like ...

I thought he  
wasn't after all these  
months. Got my work

When/both are missing  
the other you're the chosen  
one

And then she is in England  
I hope to meet her one day  
you'll come back home

And you thought  
that she was coming  
back?

Sometimes you'll need  
to smash her head

But what someone else  
actually does is...  
you go after that someone  
at once.
